

Summer Nature Camp Information & Backpack Gear List

- PLEASE LABEL EVERYTHING WITH YOUR CHILD'S FIRST NAME!
- LARGE BOLD CAPITAL LETTERS USING A PERMANENT MARKER IS BEST.

PLEASE REMEMBER TO LABEL:

- THE FRONT OF THEIR BACKPACK IN A VISIBLE LOCATION
- THE FRONT OF THEIR LUNCHBOX IN A VISIBLE LOCATION
- WATER BOTTLE
- TOWEL

Children should come to camp dressed in their swimsuit, Crocs or flip flops so they can play barefoot during water play or waterslide time. Please apply waterproof sunscreen & bug spray at home prior to drop-off. We will re-apply bug spray before heading to the fairytale Forest, but we do not apply sunscreen so make sure that is done at home, so it has time to absorb into the skin. We recommend Skeeter Beater DEET Free all-natural bug spray which shown above. This covers mosquitoes, ticks, fleas, biting flies, gnats and is also a first aid spray for insect stings. Children need to eat a good breakfast before camp! Summer camp is very ACTIVE, and they will need their energy levels up!

Your Child's Backpack should contain the following items:

1. A Insulated Reusable Water Bottle filled ONLY WITH WATER! The insulated thermos bottles work best to keep water cold. Children are very physically active at camp and they need lots of cold water to stay hydrated. No juice or other drinks in their water bottles please. We want to instill healthy habits for life. We have a water cooler inside, and we will refill their bottle with water as needed. Lunchboxes need icepacks too please!

2. Change of clothes including underwear in a labeled gallon Ziploc bag.

3. Labeled Bottle of bug spray in a labeled Ziploc bag.

4. Labeled towel for after water play.

- Camp hours are 8am to 12pm for children attending 2 days.
- Camp hours are 8:30am to 12:30pm for children attending 3 days.
- Camp hours are 9am to 1pm for children attending 5 days a week.

Please text us @ (910) 231-6775 if you are running late or by 9am if your child is not attending camp for the day. We need parents to strictly adhere to their child's camp drop off & pick up times, so we do not overcrowd the parking area and cause a safety issue for children. This also allows us to complete the health checks and hand washing procedures we have put in place as an extra safety precaution. It is going to be an amazing Summer of Fun. We are so grateful to have your family @ camp! Thank you!
