- ♥ LABEL ALL JACKETS/HATS/MITTENS/GLOVES/SCARVES/HOODIES/RAINCOATS/WINTER COATS

Your Child's Backpack must be brought daily. It should contain the following items:

Reusable Water Bottle filled ONLY WITH WATER! The 16-ounce insulated thermos bottles work best & keep water cold for 12 hours. Children are very physically active at Nature Preschool and they need lots of water to stay hydrated. We want to help instill healthy habits for life so please No juice or other drinks in their water bottles.

A complete change of clothes including socks & underwear if potty trained. Please put the change of clothes in a LABELED GALLON ZIPLOCK BAG. Change of clothes must be changed out each SEASON!

Long roomy waterproof raincoat with a hood kept in child's backpack or worn to school on a rainy day.

Waterproof rain pants with a hood kept in child's backpack or worn to school on a rainy day.

Parent tip- It is best to buy rain gear a size larger, so your child can wear them for a whole season.

As your child out grows rain gear, we welcome you to donate to the preschool, so we have extras on hand.

Please provide at least 3 diapers or pull-ups per day if not potty trained & baby wipes.

Wear your rain boots on Rainy Days because jumping in Puddles is Always Fun!

The mosquitoes can be very active during warmer months!

Please keep a labeled bottle of bug spray in a labeled Ziploc bag in backpack.

Parent tip- We recommend SKEETER BEATER All-natural bug repellent!

Please pack a healthy lunch in an insulated lunch box with an ice pack to maintain food safety temperatures in warmer weather. During cold or wet rainy days an insulated thermos food container with a warm lunch is wonderful.

Please do not bring any of the following items: Baby bottles, sippy cups, pacifiers, baby blankets, dolls, stuffed animals or toys of any kind. Children do not like sharing their personal belongings and this causes unnecessary sadness.

♥ Thank you and we look forward to a Wonderful year of Friendship & Learning ♥
