Puddle Jumpers Behavior/No Bullying Policy

Puddle Jumpers is not open to children with persistent aggressive or destructive behaviors.

We want all children to feel welcome and to be safe at Puddle Jumpers.

Good behavior has natural rewards and inappropriate behavior has consequences as well. The children in our preschool are taught our safety rules. They are also reminded as needed what appropriate behavior is expected and shown our confidence in their ability to do what is expected of them. We promote and model positive social skills, friendship, kindness, and gratitude daily. Our philosophy is that discipline is used to teach. We teach that positive behaviors and manners are important in preschool, society and life. We achieve this through love & consistency in adhering to which behaviors are acceptable. When a child understands the rules and then disobeys them by hurting either their friends, teachers or harming property, the following developmentally appropriate child guidance techniques are used:

- Redirection is our main form of discipline- the child is removed from the situation and redirected to another more positive activity choice. The child is given an opportunity to try again at another time.
- Positive reinforcement- the children are verbally praised when they are exhibiting kindness and positive social behaviors that show good friendship skills.
- A mindful moment break is only used for physically harming another child or an uncontrollable temper tantrum where other children or staff could be harmed. During this time the child is separated from the group for a regulated period which equals one minute for every year of age.
- Last resort- When a child's behavior is continually upsetting or dangerous to the other children or the staff and the problem cannot be resolved for whatever reason, then other preschool arrangements must be made for your child. If the safety of the other children in the preschool or the staff becomes threatened, we reserve the right to terminate care immediately. Preschool tuition is non-refundable regardless of reason for dismissal.
- Corporal punishment is never used as a form of discipline at preschool.
- We strive to provide a safe, non-aggressive environment for the children who attend our preschool. The safety of the children in our care is our #1 priority.

This preschool is not open to children with a pattern of behavioral problems. Children who exhibit the inability to control aggressive behaviors will be dismissed from enrollment at this preschool. I have read, signed and agree to abide by the Behavior policy. I understand that if my child's behavior becomes aggressive or causes a safety risk the policy is immediate termination.
